Progress Through Partnership

Train with us through School Direct

A New Pathway Into Teaching

The School Direct pathway will allow you to work alongside outstanding practitioners from Cardinal Hume Catholic School and our other partner schools including, St Robert of Newminster RC School and Sixth Form College, St Benet Biscop Catholic Academy and Cramlington. Our accredited providers will be Carmel College, Newcastle University and Sacred Heart.

If you are interested in School Direct within the Cardinal Hume partnership, recruitment begins on **26th October 2017** for training placements which start in **September 2018**.

The application process is through the UCAS Teacher Training system. For further information please visit the UCAS website:

Special Features

Cardinal Hume Catholic School is an 'outstanding' academy. We have an excellent reputation for the delivery of ITT, NQT, middle and senior leader training. We have a long tradition of supporting new entrants into the profession and ensuring rapid career progression.

Student Facilities

Our School Direct programme aims to embed the trainee at the heart of a school. The trainee will start the year in school on the first day of term and work the life of a teacher for three terms. Trainees are treated as members of staff and expected to behave in line with the conditions and expectations of a teacher: this includes duties, meetings and extra curricular activities. Trainees benefit from a professional and social life that reflects the school ethos and community.

All trainees will be registered for the PGCE with St Mary's University College or Newcastle University and benefit from all the support the university has to offer.
