## Policy on the use of Pupil Premium 2014-15

Chair of Governors \_\_\_\_\_ Fr. A. Cornforth

Head Teacher \_\_\_\_\_ Mr N. Hurn

Revision Date: January 2016

## **Our Vision**

All individuals are children of God, created equally in his image to share an eternal future. We promise to play our full part in their education and formation.

## **Our Mission**

We strive to meet the academic, moral, physical, social and spiritual needs of all pupils so that they may take their place as caring, committed, aware and self-confident adult members of society.

## **Our School Aims**

In striving to create the school climate, which will nurture this mission, the school aims:

1. To offer to all students a broad, balanced, appropriate, relevant and flexible curriculum.
2. To develop as an integral part of the local community and in particular the local Catholic community; to develop and maintain the partnership between school and parents, parishes, primary schools and the wider community.
3. To develop as a worshipping community with students, parents, staff and governors following the example of Christ in their daily work and relationships; treat one another with justice, dignity, tolerance and respect and being aware of and responding to each other's needs, hopes and aspirations.
4. To provide and maintain an attractive, happy, secure, safe and healthy school environment.

## **The Pupil Premium**

The pupil premium is a new Government initiative that targets extra money at pupils from deprived backgrounds. Research shows that pupils from deprived backgrounds underachieve compared to their non-deprived peers. The premium is provided in order to support these pupils in reaching their potential.

The Government has used pupils entitled to Free School meals as an indicator for deprivation, and have deployed a fixed amount of money to schools based on the numbers registered for Free School meals.

### **St Robert's**

**Pupil Premium allocation = £170,324 (7,000 Literacy and Numeracy catch up)**

**Pupils Registered for Free School Meals = 182**

**Looked After Children = 5 £1,900 per child**

**Revised Funding £179,824**

**At St. Robert's** we will be using the indicator of those eligible for free school meals as well as identified vulnerable groups as our target children to 'close the gap' regarding attainment.

The Government is not instructing schools how they spend this money; it is not ring fenced and schools 'are free to spend the pupil premium as they see fit' DFE 2011

The Government is however clear that schools will need to employ strategies that they know will support their pupils to increase their attainment and 'close the gap'.

## **Provision**

In order to meet the above requirements, the Governing Body of St. Robert's Catholic School and Sixth Form College will ensure that provision is made which secures the teaching and learning opportunities that meet the needs of all pupils.

As part of the additional provision made for pupils who belong to vulnerable groups, the Governors of the school will ensure that the needs of socially disadvantaged pupils are adequately assessed and addressed through half termly pupil progress meetings.

The Governors also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. They therefore reserve the right to allocate the Pupil Premium funding to support any pupil or groups of pupils the school has legitimately identified as being socially disadvantaged.

## **Review meetings**

Following each data collection for all year groups a review meeting will take place:

Deputy Head Teacher Standards and Achievement  
SENCO  
Relevant Head of Year  
Extended Services Team

The pupil progress data will be analysed and a bespoke programme of intervention will be implemented for any vulnerable pupil who is underachieving.

## **The range of provision**

- Facilitating pupils' access to education
- Facilitating pupils' access to the curriculum
- Additional teaching and learning opportunities
- Alternative support and intervention

## **The type of provision**

- Planned programme to help disadvantaged and vulnerable pupils make the transition from primary to secondary school.
- Summer school provision.
- Comprehensive reading programme for all of Y7 and Y8 pupils.
- Small group literacy and numeracy catch up programme.
- Intervention groups at KS4 in English and Maths.
- One to One tuition for vulnerable students in English and Maths at KS4 to 'close the gap' in attainment.
- Support towards setting in English and Maths in order to establish nurture groups by specialist teachers.
- Additional learning support facilitated by specialist teachers and learning mentors for vulnerable pupils.
- Support the funding of enrichment activities and educational visits.
- Support the funding of specialist learning software for vulnerable pupils.

## Reporting on the use of Pupil Premium

Regular termly updates will be given to the Head Teacher and Governing Body on the impact of the use of pupil premium funding. This will include:

- An overview of expenditure each term
- An analysis of the impact of strategies on pupil progress at KS3 and KS4.
- An analysis of ‘closing the gap’ outcomes at KS3 and KS4 in English and Maths.
- An analysis of progress in literacy levels at the end of KS3.
