### Year 13 Pre-Course Tasks: SPANISH

#### Context

When you go into Year 13 you are now expected to have a sound grasp of All the **past**, **present** and **future** tenses, the subjunctive and other **core aspects of Spanish grammar**.

#### Grammar

You must complete the grammar workbook given by your teacher. Please write in your workbook with pencil to allow for corrections. Refer to verb tables at the back of your workbook, in a dictionary, or on *wordreference* to help. Before attempting the exercises, be sure to research the tenses and take your own notes. There may be quite a lot of new vocabulary you come across whilst undertaking these activities. Annotate this in your workbook, or in your vocabulary book.

*Extension:* You are encouraged to complete any other exercises you like as independence is highly valued. *Please keep your workbook tidy and legible to assist with marking.*

#### Wider Research

As you know, a key aspect of the AS course is the ability to give and explain your opinion on a variety of different issues. This involves you first of all forming an opinion. With this in mind, keep a keen eye on the UK news over the holidays and develop opinions on issues. Visit Spanish news websites.

#### Written Task

Mind maps – please create these for each of the AS topics you have studied with key phrases and vocabulary.

#### Independent Research Project

Please refer to the guidance pack you have been given and prepare the 2 minute presentation and follow up questions and answers.
