Sic Luceat Lux Vestra: Let Your Light Shine

Our Vision

All individuals are children of God, created equally in his image to share in an eternal future. We promise to play our part in their education and formation.

Our Mission

We promise to meet the academic, moral, physical, social and spiritual needs of all students so that they may take their place as caring, committed, self-aware and self-confident adult members of society.

Our Aims

In striving to create the school climate, which will nurture this mission, the school aims:

- *To offer to all students a broad, balanced, appropriate, relevant and flexible curriculum.*
- *To develop as an integral part of the local Catholic community and encourage close links with home, parishes and primary schools.*
- *To develop as a worshipping community, in which prayer and liturgy are encouraged as part of faith development.*
- *To encourage all members of our school community: students, parents, staff and governors to follow the example of Christ in their daily work and relationships; to treat one another with justice, dignity, tolerance and respect and to be aware of and respond to each other's needs, hopes and aspirations. □ To provide and maintain an attractive, happy and secure school environment.*

Professional Requirements of Staff

In the light of our mission statement:

*All members of staff have a professional responsibility to meet the **academic, moral, social and spiritual needs of all students.***

To enable this to happen:

- *We will strive to provide an excellent teaching and learning experience for all students.*
- *We will encourage students to come to a fuller understanding of the difference between right and wrong. To be good citizens of the school community the students have to follow school rules, which are enforced by every staff member.*
- *The students will be given every opportunity to develop healthy lifestyles inside and outside the curriculum time. The school has a responsibility to encourage healthy eating and exercise during the school day.*
- *The Gospel values of respect and value for others will be made explicit to all students in their interaction with every member of the community. All members of the community have a responsibility to live out Gospel values in their work relationships.*
- *Opportunities will be provided for all community members to develop spiritually. The growth of the whole person must be implicit in the ethos of the school.*
