What are the best ways to revise for this subject?	<ul style="list-style-type: none">• Write answers to as many questions as possible ideally in timed conditions. This will inform you of what you know and what you don't know, and you can tailor your revision accordingly.• Read the booklets that you've been given. They cover just about everything that you need to know.• Look at the PowerPoints which all printed off for you. Make notes. Make your revision strategies as varied and as interesting as you can.• Don't keep procrastinating by producing yet another revision timetable. Instead actually revise.
