Chair of Governors: Mr. G. Moorhouse

9th March 2021

Dear Families

I'm writing to inform you about some changes to our delivery of Remote Learning. **From Monday 15th March** any student that is required to self-isolate for Covid related issues should join their lessons live from home. **This applies to all Year Groups.**

Teachers will schedule the lessons and the link to join the session will be posted on the Teams channel. Students will also see this in their calendar on Teams. **Students must follow their normal timetable each day** and join the Teams lessons being live streamed from school.

It is important that students check messages in their subject Teams throughout the self-isolation period. It is vital students attend online lessons. Normal attendance procedures will be followed if students do not attend remotely. Students must also follow the Teams code of conduct. The code of conduct is available in the "Teams Learning Portal" section of the school website [here](#). Students will be expected to complete all work set, meet deadlines and submit any work that requires feedback to their teachers. We do stress the necessity of them accessing and completing work during any isolation period, unless of course they themselves are ill. **If there are any issues with access to technology please do let us know.**

Many thanks for your continued support with Remote Learning. It is an ever changing landscape. I will continue to update you with any other relevant changes in due course.

Mr S Clark

Assistant Head Teacher
