Dear Parent / Carer

As you are aware, your child has opted to take Food and Nutrition as part of their GCSE curriculum. This year, the subject involves a 1 hour 30 minute practical assessment which will take place after the Easter break. It has been necessary to timetable the practical assessments before and after school in order for pupils have the time required to complete the task.

The timings for this are as follows:

11C – Tuesday 20th April 2.20pm – 3.50pm

11B – Monday 26th April 8.30am-10.00am

Pupils are expected to provide the majority of their ingredients and make a small contribution to other ingredients which have been provided by the school. Pupils should bring their ingredients into school on the day of the assessment. If the assessment takes place in the afternoon, ingredients will be collected by a member of the food department as pupils arrive in school.

Thank you for your continued support.

Yours sincerely

Mrs. V Mansueto
Head of Food and Nutrition
