Dear Families

During the school closure period your child was loaned a school laptop to enable them to have access to remote learning.

We do now require the laptop to be returned to school for essential maintenance and upgrading. Please return the laptop, charger, and carry case. There will be a designated "drop off" area at **student reception**. Please return the laptop by **25<sup>th</sup> June 2021**.

Once we have all laptops returned and updated we may be in a position to extend the loan into the next academic year. If this is something you would like to continue please do let us know and we will consider the request.

Yours faithfully

Mr Clark

Assistant Head Teacher
