Dear Parent/Carers

We are aware that students carrying and using vapes is becoming an issue in other Secondary schools in the local area. Whilst this is currently not an issue at St Robert's, and we thank parents and carers for their vigilance with this potential issue, we do not want it to become one.

Please can all parents/carers remind your children that vapes are **not allowed** in school.

Please tell your child that if they are caught with a vape in their possession they will be given sanctions and if they are caught vaping on the school premises the sanctions will be much more serious.

Many thanks for your continued support,

Yours sincerely

Mr A McHale
Senior Assistant Head Teacher
