Relationships, Sex and Health Education Policy Consultation

Dear Parents and Carers,

Students in Year 7, 8, 9, and 11 have now completed their 'Relationships, Sex Education and Health Education' course and Year 10 will cover the course throughout this term. RSE is compulsory in all schools and as a Catholic community, we will follow a programme of study that has been endorsed by the Catholic Education Service.

Our RSE policy can be found on the school website, and we invite parents each year to consult on the appropriateness of the policy. Our most recent consultation period ended in April, and feedback from parents indicated the overwhelming majority continue to be supportive of the relationships and sex education programme. Our consultation for this academic year is now open and will remain open until Wednesday 30th November: <https://forms.office.com/r/PapspTc63M>

By following the link below and entering the login details parents also have access to the resources that we use in school. You can also use the parent consultation tool which gives an overview of Ten Ten resources and tips on how to support your child as they study this unit:

If you would like to find out more or have any questions about the policy, then please do not hesitate to contact the school through your child's Head of House.

Yours sincerely,

Mr Andrew Davis
Assistant Head Teacher
