27th February 2023

Dear Parents and Carers

I am writing to you to outline how students can access the work that has been set for them to complete during the school closure on 28th February 2023.

Year 7 students will be focused on preparing for their assessments. Year 8-9 students have been set work that is based around Literacy, Maths and Personal Development. The work for **Year 10 students** will be focused on using GCSE Pod. All work is available on the home page of our school website under the tile **"Student Work for Tuesday 28th February"**.

The work set will help students revisit previous knowledge and prepare them for future work in school. Please help your child organise their books and a space to work. If students don't have a book for a certain subject please use some paper, a laptop, PC, or another device.

Year 7 Instructions:
