14th February 2023

Dear Parents and Carers

Year 11 students have their second assessment week after February half term. The assessment week begins on Monday 6th March. Students are working hard, in class, at home and in the various intervention sessions that are taking place to prepare for these assessments.

Students have been given a revision checklist to help them structure their revision. The revision checklist can be found [here](#) in our "Revision Hub" which sits on our school website. Students should use this checklist to help them plan, structure, and complete their revision successfully.

Parents/Carers and students have access to our subject-by-subject GCSE revision guide and our "Ready to Revise" programme by clicking [here](#). GCSE Pod is a useful revision resource. Year 11 students have access to this tool by clicking [here](#). Should any student not be able to access GCSE Pod for any reason please do not hesitate to contact me.

Please support the students by helping them organise their revision, books, folders, and a place to work. Please offer praise for working hard. Please help them manage distractions by removing mobile phones and other devices that distract their attention away from working on revision.

I wish every student success in the forthcoming assessments.

Yours sincerely

Mr S Clark

Assistant Head Teacher
