Dear Parents and Carers

I am writing to you to outline how students can access the work that has been set for them to complete during the partial school closure on the 2nd May.

Work for Year 7-10 Students: Tuesday 2nd May:

Year 7-9 students have been set work that is based around our Knowledge Organisers and assessment preparation. The work for **Year 10 students** will be focused on using GCSE Pod. All work is available on the home page of our school website under the tile "**Student Work for Tuesday 2nd of May**".

The work set will help students revisit previous knowledge and prepare them for future work in school. All students should aim to follow their normal timetable for the day as best they can. Please help your child organise their books and a space to work. If students don't have a book for a certain subject please use some paper, a laptop, PC, or another device.

Year 7-9 Instructions:

- Students are required to download a copy of our Module 3 Knowledge Organiser for the Year Group they are in. *There is no need to print paper copies.*
- Students must then download the lesson instructions PowerPoint and follow steps 1-5.
- **All lesson resources for Year 7-9 can be downloaded [HERE](#).**

Year 10 Instructions:

- Students should log on to **GCSE Pod**.
- Students must then download the lesson instructions PowerPoint and follow steps 1-3.
- If you have any technical issues with GCSE Pod, please use the GCSE Pod Help Sheet. If you have any technical issues with Hegarty Maths please use the Hegarty Maths Help Sheet.
- **All lesson resources for Year 10 and the help sheets can be downloaded [HERE](#).**

Should you have any issues accessing the work please do get in touch by emailing school@str.bwcet.com.

Thank you for your cooperation and understanding.

Yours sincerely

Mr S Clark

Assistant Head Teacher
