

Y11 GCSE Warm Up Session Timetable Summer 2023

- ✓ Prior to each exam, each subject will run a warm up session to help you prepare.
- ✓ During the exam period you will register each morning in the canteen in your tutor group – this will mean that you won't miss any important notices such as where the warm up sessions are taking place.
- ✓ Lessons in each subject are running as normal – you only miss a lesson for a warm up session or an exam.
- ✓ If you do not study the subject where a warm up session is taking place, you go to your normal lesson.
- ✓ At all times you must be present in an examination, your normal lesson, or a warm up session. This applies at all times including PSHE and PE lessons.
- ✓ Make sure that you have revision materials with you at all times.
- ✓ Look out for where you are due an early lunch.

If you are not sure where you should be ask your tutor, teacher or your Head of House. This timetable is also on the school website.
