Dear Parent/Carer

To support your child during the GCSE examination period we have designed an "Exam Warm Up" timetable that will run alongside the examinations timetable. Prior to an examination in each subject, students will attend a special session designed by our subject leaders to target key areas for each exam. This could be specific subject content or skills or a mixture of both. These have been very successful in previous years and have ensured that students are well prepared and focused for each examination.

A copy of the timetable is on the school website and pupils all have their own copy. To ensure good attendance at these sessions, please try to avoid making appointments during the school day so your child does not miss this valuable pre-examination preparation.

Yours faithfully

Mrs K Dunn
Assistant Headteacher
