Dear Parent/Carer

## May half term revision

We would like to congratulate Year 11 who have so far completed their exams in an exemplary manner with great care and maturity. The students have continually proven themselves to be a hardworking and dedicated year group and we appreciate the amount of preparation that has gone into their exams so far.

In order to support students with their revision, a small number of revision sessions are being offered to students in May half term. We could encourage all students to attend if they can.

Subject	Date	Students invited into school	Time/location
Maths	Tuesday 30 <sup>th</sup> May	20 students who have been given personal invites by the Maths department	9:30-11:30am. MA11
History	Thursday 1 <sup>st</sup> June	All History students	10am-12pm. History department.
Geography	Thursday 1 <sup>st</sup> June	All Geography students	10am-12pm. Geography department.

Please note- if your child studies both History and Geography, they can choose which session to attend or complete 1 hour with each subject.

If your child is attending one of the sessions, they must:

- Sign into school at visitors' reception
- Remain in the department area- students are not allowed to access any other part of the school other
- Sign out as soon as the session has finished via visitors' reception
- Bring a drink with them

Yours faithfully

**Mrs Harrison**
