Dear Parent/Carers

I would like to start by congratulating our Year 10 students on how well they have been working this term. The vast majority of students are engaged in their lessons, behaving well, and working hard in class and at home.

Year 10 End of Year Exams Update:

In planning for the upcoming Y10 examinations, we have moved a small number of subject papers forward to ensure that there are a reasonable number of examinations within one day. We hope that this will have a positive impact on student wellbeing as well as preparation. Students will be informed by their teachers of a clear revision structure to assist their revision planning. The examinations outlined below will take place in the Examinations Hall. All other examinations will take place *in class* from the 26th June. Students will receive their full exam timetable this week.

	Mon 19 th June	Tue 20 th June	Wed 21 st June	Thurs 22 nd June	Fri 23 rd June

For those students who receive access arrangements such as additional time or reader/scribe, they will receive a bespoke timetable with locations/timings. We acknowledge that some students may miss an examination due to general illness or absence due to a school trip/visit. These students will need to complete a missed examination with their subject teacher when they return to their lessons.

May I take this opportunity to wish your son/daughter, the very best of luck with their continued GCSE preparation. I would like to thank all families for their ongoing support throughout this time.

Yours faithfully

Mr S Clark -Assistant Head Teacher
