Dear Parent/Carer,

Firstly, we congratulate Year 11 so far on their excellent efforts towards their exams and we encourage them to maintain this level for the remaining papers.

Given that from next week the number of examinations will be thinning out, after Friday this week Year 11 students will cease their full-time attendance at school. From Monday next week, students will only attend school for their exams and to enable them to access any pre-arranged exam booster sessions. **Outside of these times they will not be in school.** As you are responsible for them, at the times when they are not in school, we are giving you advance notice of this arrangement.
