Dear Parent/Carer

Report Card Information

May I apologise for the slight delay in sending our report cards to you and thank you for your patience as we have navigated our new management information system (Arbor) and overcome some technical difficulties.

Our report cards will give you, and students, an indication of current progress, based primarily on their practice examination outcomes. The reports also summarise how well students have engaged with their learning and homework and how well they have worked towards demonstrating Gold Standard Work and Gold Standard Behaviour, which promote our values of 'excellence' and 'aspiration'. There is a guidance sheet with the report to explain the detail within.

I hope that, with your support, we can continue to work in partnership to help your child(ren) to 'let their light shine' both academically, and personally.

Should you wish to discuss the content of this email for any further clarification, or your child's report card, please do contact the school's main reception for the attention of your child's Head of House, in the first instance. I do hope that all our families have a safe and restful Christmas break.

Yours faithfully,

Mrs M Salmon
Senior Assistant Headteacher
