Dear Parents/Carers

Many thanks for your support this half term. Year 11 have been working hard in lessons and behaving well. You may recall before the practice examinations I sent a letter about how to purchase Revision Guides. **I would like to offer you a second opportunity to do so**

I have collated a list of GCSE revision guides you may wish to purchase to further support your child's revision and learning. There is no expectation that you purchase all the guides on the list. It might be useful to buy two or three guides that will best support your child's needs.

Please ensure you purchase guides relevant to your child's GCSE course and entry level. For example, please do not purchase Foundation Tier revision guides if your child does the Higher Tier in certain subjects.

The guides are available to purchase through ParentPay and the deadline for payment is **Friday 1st March**.

Should anyone require financial assistance please do not hesitate to contact school via email

school@str.bwcet.com

GCSE Contingency Arrangements:

We are fully expecting examinations to go ahead this year. That said, schools are advised to have contingency measures in place and therefore we wish to inform you, and your children, that their assessments could be used to generate a grade, in the **unlikely** event that external examinations are cancelled. Therefore, the examination papers for the next assessment window, will be retained by school. Please be clear, that this is a contingency for this circumstance only. **Should a student miss an external examination, the school are unable to generate a grade based on school assessments.**

We wish our students, the very best for their assessments and remain committed to preparing them fully for external examinations.

Have a great half term!

Mr S Clark
